❶ Available only with radius fascia. ❷ Please check the appropriate boxes in the chart found at the bottom right of this form. ❸ Select two shadecloths.
❹ See chart below for available colors. End caps will match the fascia color. End caps are not available fabric wrapped.
❺ Blackout Channel can be ordered as either full length accessory from the accessories price sheet or cut or rough size using this form. (Cut size is based on shade size.)
Mecho and Electro shades will receive double channel at each center support and single side channels at each end.
❻ If unmarked, you will receive 2 inch fabric hem pocket with 1.5 inch elliptical aluminum hembar. For light seal hembar, select the color code from the color chart below. For other hembars, make notes.
